(The Draft was
issued vide No G 297/Ed dated the 23rd July 1903)

Note Continued
on receipt of letter No
4050/128 dated the 11th
Nov 1903 from the Dfl of
Edn

From the Lady Supdts letter No 195 dated the 4th November 1903, it will appear that that endeavours were made to get correct information regarding Saraswath Bai's conduct before she was admitted and her family. Three persons were referred to but only one viz Mr B Rama Rao MA (who was for some time in Mysore in the Normal school) replied to the effect that the conduct of the pupil was satisfactory It will also be seen that Nellikar Venkata Rao of Mangalore whom the petitioner (A Raghavendra Rao) refers to as a man who would give information regarding Saraswath Bai has given her a certificate of good character

may the petitioner therefore plead

The latter part of the Dy Cs letter No 4050/128 d the 11th Nov 03 raises a question whether the pupils seeking admission into the Maharanis College from outside the State should be given liberal scholarships like the native pupils of Mysore

The Dfl is of opinion ✕ 4
that not more than 1/3 or
1/2 of the amount of scholarships
usually given to local Hindu
pupils may be paid The Dfl
states that it is chiefly the amou
of scholarship given in Mysore
that attracts pupils from outsi
The opinion of the committee of
management is necessary of th
question raised by the Dfl commends
itself to Government

The information regarding
the scale of scholarships paid
from State funds could also be obtained
from the Dfl if directed

Submd to Secty
30/11/03

NLS
30/11-03

Have you no info~ about rate
& amount of scholarships now
being granted? If not
Call for it

1/12/3

As no definite information was
available in the office, the Dfl of Edn
was asked in this office NL G 2917 dated

dated the 15th Dec 1903, to furnish a statement showing the scale of scholarships sanctioned for the pupils of the College and also a statement showing the names of the Scholar-ship holders

Accordingly the DPI has now forwarded the two statements called for

From the statements it will be seen that Saraswathi Bai (regarding whose admission there was a complaint from Raghavendra Rao Mangalore, and hence the subsequent correspondence) is in receipt of Rs 15+5 (house rent) by way of Scholarship and house rent

It will also be seen that a sum of Rs 642 per mensem is set apart for scholarships

It was already reported by the Lady Supdt that the complaint of Raghavendra Rao, Mangalore against Saraswathi Bai was groundless the petition may, it is submitted, therefore be filed as already noted

Regarding the side issue whether the pupils seeking admission into the Mahavani's College from outside the State should be given liberal scholarships like

like the native pupils of Mysore, it is submd that the Dfl's suggestion that they need not be given more than 1/2 or 1/3 of the amount usually given to the latter has to be taken up and orders passed

In this connection it is noted that the Maharani's college which was formerly open only to High caste Hindu girls was lately thrown open to Native christians of good family and character and that the committee have recently submitted to Govt their recommendation to relax the restriction still further so as to allow pupils of all castes, Parsees, Rajputs, Mahomedans etc

x Further information has been called for in this connection from the Dfl of Edn

those papers were sent to the Devan for orders

KS 15/1/04) A report of the Maharani's College for 1902-03 is also submd for reference —

The Petn which gave rise to this correspondence may be simply filed as the enquiries made have not elicited anything against the student Saraswati referred to in the Petn

In regard to the suggestion of the Insp.r General that students

Coming

coming from outside the Mysore State may be given only $\frac{1}{3}$ or $\frac{1}{2}$ of the scholarships given to local students, the ~~X~~ Insp^{r}-Gen^{l} may I think, be asked to place the matter before the Committee of ~~b~~ the Maharaja's Girls' College, Mysore

KK 15/2/04

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No. 4050/128 Enclosures (2) Bangalore 11th November 1903

From

H J BHABHA Esq. M.A.,
Inspector General of Education in Mysore

To

H. V. Vanjundayya Esq. M.A., B.L.,
Secretary to the Government of Mysore,
General and Revenue Department
Bangalore

SIR,

yldd. In returning herewith the petition of A. Raghavendra Rao, Mangalore, received with your docket No. 297-Ed. of 23rd July 1903 I have the honour to forward herewith for information a copy of docket No. 195 of 6th November 1903 from the Lady Superintendent of the Maharanis College, Mysore. Sraswati Bai has been drawing a Handsome Scholarship since her admission into the Maharanis College. She is a Sudra girl and is not a bright pupil.

2 In the case of Hindu women coming from British India to study in the Maharani's College, it is doubtful if scholarships of the same amount as are given to Mysorean pupils should be given

The

The liberality of the Mysore Government provides handsome scholarships for local students which go for their maintenance. Native Christians, Sudra and other pupils coming from other parts of India have facilities in their own part of the Country to read either in girls' or boys' High Schools and Colleges - And it is chiefly the amount of scholarship given in Mysore that attracts them to the Maharani's College. In their case, in order to avoid "underselling" the institutions in British India, I would submit that not more than $\frac{1}{3}$ or $\frac{1}{2}$ of the amount of scholarship usually given to local Hindu pupils may be paid If this principle is laid down only such pupils as have a real desire to study in the Maharani's College will come to Mysore.

I have the honour to be,
Sir,
Your most obedient servant,

H J Bhabha
Inspector General.

Education in Mysore

With reference to this docket 1906/49 of 27th July last, I have the honour to submit herewith Saraswathe Bai's original application for admission together with the other information desired by the Inspector General and two original documents for kind return

Saraswathe Bai's application was received here on January 24th 1902 She was directed to send the names of two respectable people in Mangalore as references along with her admission form which she did Her admission was sanctioned by the Sub-Committee on February 5th and she thereupon entered the

4 family in Mysore on February 18th

In the interval between her admission and her arrival, a letter was received from Mangalore casting aspersions on her family character and asserting that she was not a widow. One definite assertion was made about her which was luckily capable of being put to the test. Independent information was accordingly sought, and it was found that the statement made by the girl was correct and that of her accuser was false. Moreover, the Nellikai Venkata Rao of Mangalore referred to by the letter writer as knowing all about Saraswathi Bai, was actually one of those who gave her an additional certificate of good character when we required further references.

Endeavours were made to get at the facts about her family's character and her widowhood, but through three sets of people in or acquainted with Mangalore were applied to, an answer was given by only one Mr. B Rama Rao Ma, late of the Mysore Normal School who knows the family, and that one was entirely satisfactory. There has thus been no confirmation whatever of the charges made against her. Until all these enquiries had been made and her own statements had been confirmed, she was not allowed to come to the College. Finally she was admitted on March 5th 1902.

She is now reading in Form IV A and receives the usual scholarship of Rupees 15. She is a regular and industrious student, and no evil rumour has ever reached us of her conduct. Her progress is very slow as she is hampered by her Kanarese being of the Mangalorean variety and has almost had to learn

Kanarese

BR

Diary No 1130

Memo

Bangalore, 1st July 1904

In circulating the accompanying letter of the Inspector General of Education for the expression of views, of the Maharanis College Committee, thereon, as to the amount of scholarships to Hindu Female students who may come from outside the Province to join the Maharani's College, I beg to express my opinion emphatically that time has not yet arrived for any such steps to be taken, nor even for their consideration now

Hindu Female Education is still in its infancy and much latitude should therefore be left to the discretion of the heads of Girls' Schools and their Committees, to decide what would be beneficial in the interests of Female Education

The question might be left to be considered in the next decade

Sd/ A Narasim Iyengar,
Honorary Secretary,
Maharani's Coll Committ

In my opinion, it is extremely desirable for own own local students to be brought into contact with other intelligent young women from as many different parts of India as possible It is one of the very few opportunities we have of enlarging

their minds and stimulating some healthy competition

As regards the students from British India themselves, I do not think that, considering the expenses of their journey and of living in a strange place, the present rates of scholarship are too high

July 18, 1904 Sd/ Grace Le Palethorpe

I agree with Mr A Narasim Iyengar's view of the question

July 18th Sd/ E J Weir

I agree that the question may be deferred in the meantime

Sd/ J W

I concur. If at all, female students coming from outside the Province should get more than those on the spot, as their expenses and inconveniences will be greater

18 7 04 Sd/ V N Narasim Iyengar

I agree with the views expressed above

Sd/ E Maconochie

19 7 04 Sd/ M Maconochie

I think it is better to discuss the question at a Meeting in all its bearings For my part I would draw no distinction between local students and those that come from outside. In allotting the scholarships I would regulate the number of foreign students

The point raised by Government appears to have been misunderstood by most members It is thought that while there is some reason to provide what may be called maintenance scholarships for young women of Mysore, there is no reason why the same kind of scholarships should be provided for people outside Mysore For the latter scholarships of smaller amounts should suffice if they are to serve the purpose merely of affording encouragement to the higher education of women The Maharanis College should not enter into unfair competition with such institutions as give the same kind of education outside Mysore, by offering scholarships of such amounts as the pupils do not expect to get in their own part of the country

21. 7 04 Sd/ H J Bhabha

I suggest that a meeting of the Committee may be convened to discuss this important question in all its details

24 7 04 Sdf S Madhava Rao

The matter may be placed before the next meeting In the meanwhile a statement showing the number and amount of such scholarships granted from the beginning – and comparing it with the amounts to be paid to local students might be useful Have we information available about the rates of scholarships paid in the Madras Institution (Higher School for Women?)

Enclosures

With reference to your Secretariat Circular No 5806/A 34-03 dated 7th January 1905 enquiring how many outside pupils are studying in the Maharaja's College including Saraswat Bai and what scholarships they draw, I have the honour to inform that Saraswat Bai from Mangalore is not a student of the High School Department now and that there are at present no other students. The

287

High School or College classes are not outside the provinces.
